Supplemental Filing

Dear Ms. Dortch:

In response to a request for clarification from Commission staff, Applicants Lancaster Telephone Company dba Comporium ("Lancaster"), Fort Mill Telephone Company dba Comporium ("Fort Mill") and Rock Hill Telephone Company dba Comporium ("Rock Hill"), hereby confirm that each is an incumbent local exchange company ("LEC"). On a combined basis, these LECs collectively serve fewer than two (2) percent of the nation's subscriber lines, and have no overlapping service areas.

Lancaster, Fort Mill and Rock Hill each provide local exchange telephone services, exchange access services, intraLATA toll services, Internet access services, and enhanced local calling features. Other services noted in the Applications, such as interstate toll services, cable services, and competitive local exchange services, are not provided by these LECs, but are provided by affiliated companies.

Please refer any questions regarding this matter to the undersigned.

Respectfully submitted,

Sylvia Lesse
